Crystal Clear Facials

The Starter	30 mins	£30.00
-------------	---------	--------

An excellent choice as a first time facial or for clients who need a quick skin fix prior to a party. The skin is gently cleansed and exfoliated to create a smooth base prior to tanning or make-up application.

Cellular repair treatment	1 hour	£45.00
---------------------------	--------	--------

This repairing facial is designed for skin that needs that little bit more. This intensive facial combats the signs of ageing and replenishes dry and especially menopausal skin, bringing back clarity, firmness and hydration.

Crystal Clear - Wide Eyes	30 mins	£35.00
---------------------------	---------	--------

A fantastic eye treatment with visible results, an ideal treatment to lift, smooth and hydrate the fine, delicate skin around the eyes - creating a look that is noticeably younger and fresher.

Crystal Clear Mini Lift Mask	40 mins	£45.00
------------------------------	---------	--------

It gently tightens and tones the face and neck muscles while smoothing the appearance of fine lines and wrinkles. The treatment can be used as part of an intensive course or as a quick pick-me-up facial prior to a special event.

anti-wrinkle/anti-aging

We stock the latest anti-wrinkle and anti-ageing technology products!

restorelite anti-ageing/wrinkle machine

Using harmless infrared rays, Restorelite is the only medically proven technology to be used for cosmetic purposes other than Botox

£99.99

virulite cold sore machine

The newest most effective cold sore treatment, far superior to any creams. Using infrared light technology, it's the only therapeutic technology which has been independently proven to be cytoprotective (it improves the skin's immune response and repairs damaged cells)

£39.99

Please call us on 0191 510 8020 or email us at info@thedayspasalon.co.uk to receive product literature or more information.

electrical treatments

Our platinum detox is a totally safe low-voltage treatment - the machine is similar in principle to the electrolysis machines used in the depuration of residual waters. It makes use of the existing membrane of the sebaceous glands, the eccrine sweat glands of the feet.

platinum detox	1 session	£30.00
	6 sessions	£160.00

piercing

We use the Studex disposable cartridge system - individually wrapped earrings and no personal handling means it is one of the most hygienic systems available, from the world's largest manufacturer and supplier in the industry.

earrings from £7.50 pair

We stock a wide variety of ear and nose rings from birthstones to cubic zirconia. Hoops available on request.

electrolysis

A more effective way to get rid of embarrassing, unwanted hair.

This is an effective, progressive permanent method of removing superfluous hair growth. By causing controlled tissue destruction at the base of the follicle, electrolysis weakens the hair to inhibit growth.

When this service is performed correctly it leaves no marks, and with the development of state of the art equipment any discomfort is minimal.
